It is our goal to offer our guests a service that lacks in nothing and one that is very personal. You should feel comfortable in our relaxed atmosphere through either enjoying talking to other guests or to simply reading a book.

We strive to achieve the utmost in quality and reliability. Our infrastructure as well as our services should meet even the most demanding traveller's high expectations.

Even better than reading about our philosophy is just to come, visit us and experience it. We are looking forward to welcoming you.
